

90-DAY BACK ON TRACK & GROWTH PLAN

October 1 – December 29, 2026

RETURN • REBUILD • RISE

A practical workbook for restoring spiritual depth, rebuilding discipline, reconnecting with vision, and creating tangible momentum.

Day 1: October 1, 2026 Day 90: December 29, 2026

HOW TO USE THIS PLAN

This is not a 90-day punishment or an attempt to fix everything at once. The objective is faithful alignment: return to God, rebuild your systems, and produce evidence of growth.

Your five rules

1. Never miss twice. A bad day does not need to become a bad week.
2. Continue, don't restart. If you fall off on Tuesday, resume Wednesday.
3. Use minimum viable discipline. On difficult days, do the minimum rather than abandoning the rhythm.
4. Apply more than you consume. Information is not the same as transformation.
5. Finish. Build a culture of completion: less 'I'm planning to'; more 'it's done.'

The three phases

PHASE	DATES	PRIMARY FOCUS
1. RETURN	Oct 1–30	Spiritual restoration + personal realignment
2. REBUILD	Oct 31–Nov 29	Discipline + capacity + execution
3. RISE	Nov 30–Dec 29	Execution + impact + momentum

Core Scripture: “Remember therefore from where you have fallen; repent and do the first works.” — Revelation 2:5

YOUR 90-DAY TARGETS

Before Day 1 becomes busy, define what success looks like. Keep the targets concrete.

AREA	BY DECEMBER 29, I WANT TO...
Spirit	Have a consistent prayer and Scripture rhythm and greater sensitivity to God.
Mind	Develop deliberately through reading, learning and reflection.
Body	Improve sleep, movement, fitness and physical discipline.
Vision	Have a clear one-page life/season vision and priorities.
Work	Execute consistently on meaningful responsibilities.
Skill	Make measurable progress in ONE primary skill.
Relationships	Cultivate intentional, healthy and accountable relationships.
Stewardship	Manage time, attention, money and commitments more intentionally.
Output	Finish one tangible 90-day project, product, milestone or body of work.

MY PRIMARY 90-DAY SKILL

MY 90-DAY OUTPUT / PROJECT

MY THREE BIGGEST SOURCES OF DRIFT TO REDUCE

1. _____

1. _____

1. _____

DAILY OPERATING SYSTEM

Use this as your default rhythm. Adjust the clock times to your real schedule; keep the order and priorities.

TIME/AREA	ACTION
Morning	Prayer • Scripture • journal • review priorities • begin important work before unnecessary scrolling.
Deep Work	At least 90 minutes focused on the day's most important task.
Skill	Deliberate practice toward your one primary 90-day skill.
Body	Exercise/movement + intentional food and hydration + protect sleep.
Evening	Review the day: obedience, drift, lessons, unfinished priorities.

Minimum viable day

- ☐ 10 minutes prayer
- ☐ 10 minutes Scripture
- ☐ 20 minutes important work
- ☐ 10 minutes exercise
- ☐ 5 minutes evening review

A minimum day is not the goal. It is the safety net that prevents one difficult day from becoming a lost week.
